

ESL Hawaii's holistic approach to language learning

Three-dimensional, 360° English Language Training

Everyone who works with ESL Hawaii speaks at least one foreign language. Some speak two or more languages besides English. No one at ESL Hawaii seriously believes that a language student can learn a foreign language simply by sitting in a classroom.

1. Classroom Training

Introduce new ideas
Answer questions
Learn how to practice English
Learn new English "tools"
Listening & Speaking, Writing, Reading, and Grammar exposure
Vocabulary and idiom help
Guidelines for each activity day

2. Task-based practice

Information exchange with native speakers and other English language students.
Task-based English practice: problem solving in English and critical information exchange
Situational expression of feelings and emotions

3. Audio practice

Specially-prepared MP3 audio lessons:
Listening comprehension, idioms, expressions, new vocabulary, common sentence patterns and jargon

4. Computer-based practice (*right on the student's laptop*)

Some of the best English language training software
Look, listen, speak, practice, learn

5. Real-time practice in real situations

Watch, listen, speak, learn during the daily
100% English-only English Study Tours excursions around Hawaii
